Dear Mike,

On behalf of the Board of Trustees of Grand Avenue United Methodist Church, I'd like to express our appreciation to you and Mike Ehrlich for the excellent job of overseeing our recent roof construction project.

Your professionalism and willingness to put forth the extra effort was greatly appreciated. Showing up at the church on a Saturday with a shop vac in hand to mop up after an unanticipated rain storm enabling us to hold our Sunday Service was certainly above and beyond the call of duty. We also appreciated your follow-up efforts in tying up the unavoidable loose ends.

Also express our gratitude to Gary Dickerson of Beeler Construction for his cooperation during the project.

Mike, again thanks, and feel free to use us as a reference.

Sincerely,

Robert Griesmeyer
Chairman, Roof Construction Committee
