Dear Mike,

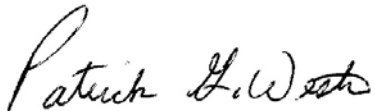

We'd like to take this opportunity to thank you and your staff for all the hard work you have put into designing Lakeview Plaza.

We know the project proposed a slight challenge with the property layout. However, Haag Muller used the land to allow the two buildings that DPM envisioned and designed both buildings to beat all our expectations.

You have proven to be professional, knowledgeable and a tremendous asset to our team in making Lakeview Plaza a reality.

We look forward to the next phase of this project. Keep up the great work!

Sincerely,

Patrick G. Wester
